

The Sobelman's Tallgrass Grill Guarantee

A Contract with Our Customers

We guarantee that every Burger served at Sobelman's Tallgrass Grill is of the utmost quality. Special care is taken in the creation of each of our Sandwiches, starting with the Tallgrass brand beef that makes our burgers the healthiest and most flavorful available. We use only the freshest produce, artisan cheeses, and a one-of-a-kind bun made specifically for our restaurant. Our Fries, Onion Rings, and Cheeseballs are always crispy and made-to-order, the perfect accompaniments to our Burgers. We pride ourselves on serving local products, and feature sodas and beers made right here in Milwaukee.

Our goal is for every customer to have an exemplary experience each and every time they come to Sobelman's Tallgrass Grill. Whether dine-in, carryout, or delivery, we aim for excellence as our standard. Sobelman's Tallgrass Grill is committed to you, your satisfaction, and our community.

Thank you for your continued patronage and for allowing us the opportunity to serve you.
